

SAFETY DATA SHEET

Self-Standing Bag

Date Revised: February 18, 2014 1st Edition

FOR CHEMICAL EMERGENCY:

During Business Hours: (800) 966-3458 | Outside Business Hours: (800) 420-7186

1. Identification of the Product

Product Name	Self-Standing Bag
Other Means of Identification	Polyethylene
Recommended Use	For storing or disposing of items.
Restriction on Use	Only fill bag to the capacity that the consumer can safely lift. Do not use in or around babies and children, cribs, beds, carriages, or playpens. This is not a toy.
Company	The Gorilla Glue Company 4550 Red Bank Expressway Cincinnati, OH 45227 Tel: (513) 271-3300 Fax: (513) 527-3742
Emergency Phone Numbers	During Business Hours: 1-800-966-3458 Outside Business Hours: 1-800-420-7186

2. Hazards Identification

This product is classified as not hazardous in accordance with OSHA Hazard Communication Standard 29 CFR 1910.1200.

Health Hazards	GHS Labeling
None Classified.	Hazardous Symbols: None
Physical Hazards	Signal Word: None
None Classified	Hazardous Statements: None
Hazard Category	Precautionary Statements
None Classified.	Prevention: None
Routes of Exposure	Response: None
None Classified.	Storage: None
	Disposal: None
Other Hazards	
Suffocation may occur if the product covers up the nose and mouth.	

3. Composition / Information on Ingredients

None of the components are classified as hazardous.

SAFETY DATA SHEET

Self-Standing Bag

Date Revised: February 18, 2014 1st Edition

FOR CHEMICAL EMERGENCY:

During Business Hours: (800) 966-3458 | Outside Business Hours: (800) 420-7186

4. First Aid Measures

Eyes: Immediately flood the eye with plenty of water for at least 15 minutes, holding the eye open. Obtain medical attention if irritation or other complications persist.

Skin: If molten film comes into contact with skin, place skin under cold running water. Do not attempt to peel or remove film as it may cause tissue damage. Seek a physician's assistance.

Ingestion: Obtain medical attention immediately. Do not take laxatives or induce vomiting unless instructed to do so by a physician.

Inhalation: Remove person to fresh air. Seek medical attention if symptoms persist.

Advice to Physicians: Treat symptomatically.

5. Fire-Fighting Measures

Extinguishing Media

Water spray, carbon dioxide, dry chemical powder, foam.

Specific Hazards Arising from the Chemical

Exposure to fire can generate toxic fumes.

Protective Equipment and Precautions for Firefighters

Wear full protective clothing and self-contained breathing apparatus.

6. Accidental Release Measures

Personal Precautions, Protective Equipment, and Emergency Procedures

Wear appropriate protective clothing.

Environmental Precautions

Prevent the material including decomposition elements from entering drains, sewers, or watercourses.

Methods for Containment and Clean-up

Pick up and transfer into suitable container for recovery or disposal.

7. Handling and Storage

Precaution for Safe Handling

Plastic films have the potential to accumulate a static charge, therefore handle with care. Proper grounding may be required. Keep away from heat, sources of ignition, and open flames. Avoid contact with strong oxidizers.

Conditions for Safe Storage

Storage area should be: - cool - dry - out of direct sunlight.

SAFETY DATA SHEET

Self-Standing Bag

Date Revised: February 18, 2014 1st Edition

FOR CHEMICAL EMERGENCY:

During Business Hours: (800) 966-3458 | Outside Business Hours: (800) 420-7186

8. Exposure Controls / Person Protection

Exposure Standards

None Available.

Engineering Control Measures

This product may accumulate a static charge when handling/processing. Care should be taken to ensure any static charge is properly grounded.

Personal Protective Measures

Respiratory/Skin/Eye/Face/Body Protection

Not required when used under normal conditions.

9. Physical and Chemical Properties

Physical State	Solid: Flexible plastic bags		
Color	Black	pH	Not applicable
Odor	Slight	Density (g/l, g/yd²)	Not applicable
Odor Threshold	No data available	Specific Gravity	0.91 – 0.98
Boiling Range/Point (°C/F)	Not applicable	Melting Point (°C/F)	98.9°C / 210°F
Flash Point (PMCC) (°C/F)	Not applicable	Freezing Point (°C/F)	Not applicable
Evaporation Rate (BuAc=1)	Not applicable	Vapor Pressure	Not applicable
Vapor Density (Air = 1)	Not applicable	Solubility in Water	Negligible
VOC (g/l)	Not applicable	Viscosity	Not applicable
VOC (%)	Not applicable	Auto-Ignition Temperature	No data available
Partition Coefficient (n-octanol/water)	Not applicable	Decomposition Temperature	No data available
Flammability (solid / gas)	No data available	Upper Explosive Limit	No data available
		Lower Explosive Limit	No data available

10. Stability and Reactivity

Reactivity

Data is not available.

Possibility of Hazardous Reactions

Hazardous polymerization will not occur.

Conditions to Avoid

Heat, sparks, flames – high temperature – contact with incompatible materials.

Hazardous Decomposition Products

Carbon monoxide, carbon dioxide, various aldehydes and hydrocarbons.

Chemical Stability

Stable under normal conditions.

Incompatible Materials

Strong oxidizers.

SAFETY DATA SHEET

Self-Standing Bag

Date Revised: February 18, 2014 1st Edition

FOR CHEMICAL EMERGENCY:

During Business Hours: (800) 966-3458 | Outside Business Hours: (800) 420-7186

11. Toxicological Information

Likely Routes of Exposure

Inhalation, Ingestion, Eye Contact, Skin Contact

Acute Effects

Inhalation: Not expected to be a concern under normal use. Decomposition products have to potential to cause irritation and / or inflammation.

Ingestion: Not expected to be a concern under normal use. No adverse health effects are expected.

Eye Contact: Any foreign object in the eye has the potential to cause mild irritation. No adverse health effects are expected.

Skin Contact: No adverse health effects are expected.

Chronic Effects

No adverse health effects are expected.

Specific Target Organ Systemic Toxicity (STOT single and repeat)

No data available.

Serious Eye damage / Eye Irritation

No data is available to indicate product may cause eye damage or irritation.

Skin Corrosion/Irritation

No data is available to indicate product may cause skin corrosion or irritation.

Respiratory or Skin Sensitization

No data is available to indicate product may be a respiratory or skin sensitizer.

Carcinogenicity

No data is available to indicate product or listed components may present a carcinogen hazard.

Germ Cell Mutagenicity

No data is available to indicate product or listed components may cause reproductive toxicity or birth defects.

Aspiration Hazard

Not an aspiration hazard under normal use. This product can create a suffocation hazard if placed over nose and mouth.

12. Ecological Information

Ecotoxicity

Negligible solubility.

Mobility in Soil

No relevant studies identified.

Persistence/Biodegradability

No relevant studies identified.

Bio-accumulation Potential

No relevant studies identified.

SAFETY DATA SHEET

Self-Standing Bag

Date Revised: February 18, 2014 1st Edition

FOR CHEMICAL EMERGENCY:

During Business Hours: (800) 966-3458 | Outside Business Hours: (800) 420-7186

13. Disposal Considerations

Dispose of in accordance with all applicable local, state and federal regulations. Do not dispose into any body of water, sewer or on the ground. This information is intended as an aid to proper handling and disposal; the final responsibility for handling and disposal is with the owner of the waste.

14. Transport Information

U.S. DOT – Road/Rail/Inland Waterways

Not Regulated.

Transport Canada – Road/Rail/Inland Waterways

Not Regulated.

International Maritime Dangerous Goods

Not Regulated.

International Air Transport Association – Cargo / Passenger

Not Regulated.

15. Regulatory Information

US Regulations and International Chemical Registration Laws

US Federal Regulations

TSCA Listing

All components of this product are in compliance with the inventory listing requirements of the US Toxic Substance Control Act (TSCA) Chemical Substance Inventory.

CERCLA

This product is not subject to any special reporting under the Comprehensive Environmental Response, Compensation and Liability Act if a release occurs. However local regulations must still be met, if applicable.

SARA Title III Sect. 311/312 Categorization

None.

SARA Title III Sect. 313

This product does not contain chemicals that are listed in Section 313 at or above de minimis concentrations.

US State Regulations

California Proposition 65

The following statement is made in order to comply with the California Safe Drinking Water and Toxic Enforcement Act of 1986.

To the best of our knowledge, this product does not contain Proposition 65 Chemicals at levels which would require warning labels as known to the State of California to cause cancer or reproductive toxicity.

SAFETY DATA SHEET

Self-Standing Bag

FOR CHEMICAL EMERGENCY:

During Business Hours: (800) 966-3458 | Outside Business Hours: (800) 420-7186

15. Regulatory Information (Continued)

International Regulations

EINECS

Not classified as hazardous.

16. Other Information

Abbreviations

CERCLA – Comprehensive Environmental Response, Compensation, and Liability Act of 1980

EINECS – European Inventory of Existing Commercial Chemical Substances

SARA – Superfund Amendments and Reauthorization Act of 1986

TSCA – Toxic Substances Control Act

U.S. DOT – United States Department of Transportation

The information presented in this Safety Data Sheet was prepared by qualified personnel and to the best of our knowledge is true and accurate. The information and recommendations are furnished for this product with the understanding that the purchaser will independently determine the suitability of the product for this purpose. This data does not constitute a warranty, expressed or implied, statutory or otherwise, nor is it representation for which The Gorilla Glue Company assumes legal responsibility. The data is submitted for the user's information and consideration only. Any use or disposal of this product must be determined by the user to be in accordance with applicable federal, state, provincial and local laws and regulations.
